For the month of December, the Los Angeles County Care Animal Shelters is hosting an event "Happy, Howlidays!" waiving fees for huskies and husky mixes at ALL seven care centers (does not include trust and license fees).

We are also showcasing pets that are available for foster/adoption around Los Angeles County or San Bernardino County that are at risk and looking for their furever home. We are featuring animals in shelters with high volume and fewer resources. You can always take one on a field trip at no charge for up to a week to see if they work out in your home. Call 951-358-7376 or visit: <https://www.rcdas.org/index.php/foster-care/orientation-application>. Please forward this email to any friends, family or community members that you think could benefit from some unconditional love!

LARRY

Larry is a 4-year-old black and white neutered male medium hair cat weighing 10 lbs. Larry is quite charming and impresses with a tuxedo. He has charming green eyes, beautiful whiskers and is prepared to steal your heart. He is a gentleman with a calm composure and is interviewing for a cuddle buddy. Would you like to apply for the position? Visit with animal ID #A5592523

FRANCISCO

Francisco is a 1-year-old Black and Tan Rottweiler and Siberian Husky mix weighing 84 lbs. As a jumbo-sized youngster, he has a lot of love to give and also a lot to learn. He would greatly benefit from puppy training and is eager to please. He is full of energy and would enjoy an active lifestyle with lots of socialization and playtime. Need a hiking buddy? Francisco is your boy! Visit him at the Baldwin Park Animal Care Center with animal ID A5584855

MARIO

It's a me, Mario! This male guinea pig is 1 years and 1 months old and on adventure to find the perfect castle. He is a superstar at navigating through tunnels for some snacks. He does not collect coins but collects hearts. Don't miss your chance to join Mario's journey. Will you be his Luigi? Visit Mario at the Baldwin Park Animal Care Center with ID A5588697

To adopt **LARRY, FRANCISCO OR MARIO** visit the Baldwin Park Animal Care and Control Center
